

Customer Focused. Expert Knowledge. Integrity.

Property & Casualty Package for Life Sciences Entities

Product Fact Sheet

Driven by ongoing development and innovation, the Life Sciences industry is one of the most dynamic business segments. Where regulatory changes must evolve at a pace to match the new products constantly coming to the market. Backed by over 15 years of Life Sciences specialization, our underwriting team is dedicated to staying on top of industry developments and we will help you and your clients secure the coverage that is right for them, whether they are a start-up or an established company.

Our target classes of business:

- Clinical Research Organisations
- Contract Manufacturers
- Manufacturing, Distribution, and Sale of:
 - Biologics and Biotechnology
 - Cosmetics
