

Customer Focused. Expert Knowledge. Integrity.

Commercial and Product Liability for Life Sciences Entities

Product Fact Sheet

Driven by ongoing development and innovation, the Life Sciences industry is one of the most dynamic business segments. Where regulatory changes must evolve at a pace to match the new products constantly coming to the market. Backed by over 15 years of Life Sciences specialization, our underwriting team is dedicated to staying on top of industry developments and we will help you and your clients secure the coverage that is right for them, whether they are a start-up or an established company.

Our target classes of business:

- Clinical Research Organisations
- Contract Manufacturers
- Manufacturing, Distribution, and Sale of:
 - Biologics and Biotechnology
 - Cosmetics
 - Medical Devices
 - Pharmaceuticals
 - Nutraceuticals and Supplements
 - Vitamins and Minerals
 - Veterinary Pharmaceuticals
- Pharmaceutical and Regulatory Consultants
- Research and Development
- Site-Management Organisations
- Testing Laboratories

Please contact us if your Life Sciences risk does not fit into one of these categories – we may still be able to help.
